

Disposal of Civil Work Waste Material

Dear Residents,

Requesting all residents to please don't dispose or dump civil work waste or any unused material in garbage chute or basement or any common area.

We are disposing the same every month from common area and basement from maintenance cost while such waste need to be disposed by residents only. **Going forward, if we found such dump material at common area then we will impose penalty of INR 1,000 to your vendor as well as disposal cost.**

Kindly instruct your vendor as per above to avoid penalty for such disposal in common area.

Regards,
Team Maintenance
